SCENE.

Uh-huh. There.

It's here.

I can't find my belt.

The one in your right hand.

Which one do you want?

I'd say it's too long for you, though.

I know how to fasten it properly.

Oh...?

I'll put it on for you.

What are you talking about?

Care-ful...

I hear you can turn a belt into a whip.

Don't let my pants fall, okay?

No...

Is your tummy here?

It passes through the loops on your trousers, right?

Count how many loops there are.

That's one...

Two...

Three...

Five...

Six... Don't move.

One more.

Like this, your pants can't fall off.

That's some strength...

Oof!

No...

This one.

This?

Your index finger...

I can't tell where the hole is.

Thanks.

Done!

Finally, guide it through the belt loop.

There...

It can't be helped.

I'll wear that belt tomorrow.
